UBIC S

Your Urban Companion

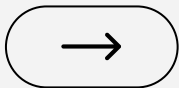

UBIC S

The S is more than just a mode of transportation; it's a statement of your refined taste. Its sleek and beautiful design turns heads wherever you go, while its advanced technology ensures a smooth and effortless ride.

With the convenience of a detachable battery, you can easily charge and power up for your next adventure.

Designed with elegance and practicality in mind, the Ubic S is the ideal choice for your daily commutes and leisurely rides. With features like a belt drive, mid motor, and a detachable battery, it seamlessly combines style and performance, providing an unrivaled riding experience for those who simply want to enjoy the journey.
